INTRODUCTION

PURPOSE

The Supplier Diversity Program created the Vendor NAICS Code Key to aid vendors in identifying the Units of the Smithsonian Institution (SI Units) currently in need of their services. This resource is meant to be used after registering in the SDP Small Business Database.

UNDERSTANDING THIS DOCUMENT

At the top of each page is an industry title and the corresponding NAICS Code(s). Listed below are the acronyms and/ or names of the SI Units that have identified a need for those services and contact information for the Supplier Diversity Program Liaison (SDP Liaison) assigned to that SI Unit.

CONTACTING SDP LIAISONS

Having identified the the SI Unit(s) indicating a need for your services, please EMAIL your Capability Statement to the listed SDP Liaison(s) to begin the conversation.

Please note that contacting a SDP Liaison does not guarantee you an opportunity to bid on work. It is , however, an integral step to competing to the maximum extent possible for contracts and purchases with the Smithsonian.

Thank you for your interest in providing goods and services to the Smithsonian Institution. Please contact OEESD for further assistance.
